

Institutional Values and Ethics

Preamble

The concourse of Students, Teachers, Administration and the Support staff of the esteemed Taki Government College, bears with its vibrant course the legacy of nourishing academic talents to fruition ever since it came into being on 15th September 1950. The geniuses produced by the College have acquired places of repute in the country and thus brought profound glory to our motherland adding their bits towards Nation Building. The College, by its own practices of societal values and ethics of togetherness, has defined its progressive aims of imparting quality and value based inclusive education to all sections of the populace irrespective of caste, creed, religion, class and gender affiliations. The College feels responsibly committed to foster all around development of the students and thus to develop awareness among them about their social responsibilities and obligations. The College remains accountable to provide equal educational opportunities to the talents coming from diversified background, specially those hailing from adjoining vast rural areas with marginal milieu are given additional support to bring them to the platform at par with others. The College, with complete sincerity, endeavours to prepare all its student talents for future service to the Nation by way of achieving definitive sensible employment for them so as they take up responsibilities as honest and upright citizens of India. The narrative put forth herewith manifests the practice of human values implemented in this Institution and also constitutes the ethics the College always strives to profess.

Core Values

Taki Government College is committed to follow a set of enduring Core Values. These values shape the institution's Mission, Vision, and Goals, Thrust, Priority and provide the foundation for all its academic and extra-curricular activities.

Academic Excellence and Success:

The College is fully committed to the academic upliftment of the main stakeholders in the institution, that is, the students. It seeks to impart quality education designed to meet the career needs of the students.

Freedom of Thought:

The College values intellectual freedom, curiosity, critical and creative inquiry. It dedicates itself to the task of propagating liberal learning and fostering a spirit of independent thinking among the students.

Use of Communication Technology and Innovative learning:

The College takes care to keep abreast of the latest global technological developments. ICT (Information and Communication Technology) teaching and learning is being progressively introduced in the curriculum and the college is making headway in this direction every day.

Inclusiveness:

The College proudly inherits the visions of the founding fathers of the Indian Republic and commits itself to maintaining the principle of 'Unity in Diversity'. It gratefully acknowledges the contributions of all sections of Indian populace, and ensures providing equal and fair opportunities to all stakeholders in this institution, irrespective of caste, creed, class, gender and nationality.

Gender Equality:

The College is against all forms of discriminations, including gender discrimination. Being a co-educational college, it allows equal opportunities to all students in all fields, academic or otherwise. It ensures safety to all its students, particularly the female students.

Equal Opportunity:

The College undertakes the responsibility of providing equal opportunities to all its students. To this end it provides special facilities to students from marginal socio-economic background, including hostel facility and recommendation for stipends.

Institutional Wellness:

The College promotes and supports good health and mental wellness of all its staff members and the whole cross section of students.

General Welfare:

The College takes seriously its responsibility towards the nation and the entire community. It takes special care to develop a congenial socio-cultural atmosphere and to ensure the mutual development of the society and the main stakeholders.
