The College Authority sincerely acknowledges the very hard efforts of its Staff members in generating soft-pool Question-Bank of Multiple Choice Questions (MCQ), that would be of utilize for Online Assessment of the Students' academic performance. It may be noted, however, in this context, that a handful of staff members from teaching section have been refusing to do their duties towards 'Service-to-Students', and they have also been trying to disrupt the whole process of generating the e-mode materials when the contrary was expected from them at this critical juncture. This refusing and destructive section will not be spared and will be dealt with the strict appropriate proceedings to be initiated against them in the prospective course.

All the Students are urged to keep in touch with the teachers through the installed Learning-module by getting into the cyber-platform employing their respective Login-ID in the Cloud-portal and through the other e-modes accessible to them. Students, mostly those in their Sem-II & Sem-IV courses, are also urged to note that they will get appropriate orientation before appearing for any intended assessment (or internal exams) through the online mode.
