

## Deployment of Strategic Plan (Report of 2021-22)

1. During the session 2021-22, the planned activities were disrupted due to closure of onsite academic activities from 03.01.2022 to 02.02.2022 due to the Omicron variant (vide G.O. No.753/XVII-ISS/2M-22/2020 and subsequent notification of WBSU). The pending even-semester examination of WBSU was conducted via online mode between 11.08.21 to 31.08.21. The window for admission of new batch of UG students was extended. As a result, online classes for only students of UG Semester-III and Semester-V commenced from 14.09.2021. WBSU provided truncated syllabus to many departments to recover the lost momentum. Departments planned their online teaching schedule accordingly in order to maintain a balanced approach to keep the students informed and engaged about the academic proceedings. Online activities such as MCQ tutorials, online classes, e-sharing of relevant study materials were continued with a view to not let the morale of the student fraternity drop.
2. When onsite academic activities resumed after pandemic period, two sets of routines were prepared for both the online and offline system of classes and steady communication with the students were created to keep them engaged about the proceedings. Careful planning for efficient management of the unprecedented and enormous load of answer-scripts was initiated, upon announcement of consecutive examination schedules by WBSU from August, 2021 to March, 2022, to clear the backlog.
3. An amount of Rs. 92,954/- was received from the Government of West Bengal on 18.08.2021 which was utilized for purchasing Covid-19 protection items and the sanitization drive within the campus during the unlock-phase. Necessary architecture was created for the vaccination camp for students in coordination with Health Department, Govt. of West Bengal. A total of 324 student-beneficiaries were successfully vaccinated at the College campus on 4th-5th October, 2021, following all eligibility protocols.
3. A proposal for 'Purchase of Laboratory Equipment, Apparatus under Development Grant' for the Departments of Chemistry, Physics, Zoology, and English was sent to Office of the DPI, GoWB on 19.07.2021. After receiving 'Administrative Approval' for the same on 07.01.2022, necessary e-tender process was completed in a war-footing within FY 21-22 and the orders to the suppliers were issued, despite the closure of campus till 03.02.2022 due to Omicron variant.
4. Infrastructural developmental works were undertaken, as per the project proposals included in RUSA-DPR. The work of "SITC of floodlights in the playground and different other strategic position at the College Campus" (Rs.11,17,242/-), was implemented successfully in this session. Thereby 97% of the fund of Rs. 1 Crore released under the first installment of Component-9 of RUSA 2.0 has been utilized till the end of the session.
5. Various programmes such as seminars, workshops were conducted as per proposals received from the Career Counselling Cell, the Women's Development Cell and the IPR Cell of the College. Different departments also organized invited lectures, seminars, student seminars as per the proposals submitted to IQAC.
6. Online orientation programmes and awareness Camp at College were conducted regarding the newly launched West Bengal Student Credit Card Scheme (WBSCC). Dissemination of documents containing significant clauses in vernacular language were also undertaken.
