Sir and other HoDs,

Kindly check the attachments (the pdf file is just a copy of the excel file). Pursuant to our online discussion on 29th July, all HoDs are requested to put the name of the teachers in appropriate slots and complete their respective departmental excel file and kindly mail me back. PG department HoDs are requested to fill the slots for PG classes in the blank spaces. In case any operational difficulty arises, kindly contact me for necessary correction. Regarding the appropriate mode of interaction, please follow the consensus reached in the online discussion.

Regards,

Kinshuk Nandi

Revision in online timetable for B.Sc. Subjects

Sir and other HoDs of B.Sc. Departments,

Kindly check the attached files (the pdf file is a copy of the excel file). This time around the timetable has been slightly altered to accommodate the needs of B.Sc General Students of Fifth Semester (who, despite attending classes in Day section, do not share a common syllabus or course content with Students of B.Sc. Honours of Semester-V).

This new timetable offers overlapping slots in unavoidable cases and there are colour-coordinates for separate days for easier understanding of the structural pattern. A note about the SEC-3 course, to be offered to the B.Sc. General students of Fifth Semester. It appears that not all subjects are required by their respective BoS to offer this course or there is a workaround formula. Hence it is mentioned as "*GSEC-3 (Allotted Subject)*", meaning that those departments which are required to offer it presently shall consider that allotment.

Since the requisite changes affect only the B.Sc. Subjects, the recipient-list of this email is restricted to HoDs of B.Sc. departments. If some of you have to rework your departmental routines due to these alterations, I do confess that the sheer variety among various subjects in the new Semester-V indeed creates confusion. I do hope that everything will be taken in right spirit.

Regards,
Kinshuk

Sir and other HoDs,

Kindly check the attachments (the pdf file is a copy of the excel file). Pursuant to an online discussion on 7th December, 2020 a modified online-timetable incorporating Semester-I classes is hereby attached for your perusal. There is no increase in the amount of classes for Semester-III and Semester-V. With three semesters running parallely, some overlapping of slots was unavoidable.

All HoDs are requested to put the name of the teachers in appropriate slots and complete their respective departmental excel file and kindly mail me back. In case any operational difficulty arises, kindly contact me for necessary correction. Regarding the appropriate mode of interaction, please follow the consensus reached in earlier discussions

Sir and other HoDs and Members of Routine Committee,

Kindly check the attachments (the pdf files are copies of the excel files). As per the instructions of the Principal, Online Timetable for upcoming Semesters - II, IV and VI has been prepared. There is no basic difference in format when compared to the routine of the Odd Semester. With three semesters running parallelly, some overlapping of slots was unavoidable.

All HoDs are requested to put the name of the teachers in appropriate slots and complete their respective departmental excel file and kindly mail me back. In case any operational difficulty arises, kindly contact me for necessary correction. Regarding the appropriate mode of interaction, please follow the consensus reached in earlier discussions.
